IT'S DEBUT.

We have been trying since we are here to get control of "The Royal Worcester Corset." We have just succeeded. We wanted it because it's sold more and advertised more than any other Corset. This Corset should have made its debut in Maysville years ago but better late than never. With your continued generous patronage your store (THE BEE HIVE) will be the most progressive in the State.

EVERYBODY IS GETTING WALKING SKIRTS.

Easier than anything else to walk in. Easier than anything else to keep well in during cold, stormy weather, for they never get wet around the bottom. Best for a dozen reasons. They flare at the bottom and fit snug around the hips, that is if they are made the new style. The new styles are here—NOW.
